Chairman’s Introduction
Welcome to this Autumn 2011 edition of the Henlow Parish Council Newsletter. I hope you will find it informative. As always, we would be very glad to receive any feedback on the format or the contents.

Council News:
At the start of this ‘Council Year’ we took a close look at the work our two main committees were carrying out to review whether this was still the most appropriate and efficient structure for the council. As a result of this review we decided to continue with a ‘two committee’ system, but decided to re-distribute the areas of responsibility across them, in order to balance the workload and try to keep common issues within the same committee. This means that our two committees are now:

- Buildings and Highways (Chaired by Cllr David Shelvey, with Cllr Terry Phillips as vice chair)
- Open Spaces and Countryside (Chaired by Cllr Steve Buckley, with Cllr Matthew Sale as vice chair)

Both new committees will be filing their first reports in this edition.
Also, having taken the chair of the Open Spaces committee, Steve Buckley decided to stand down as chair of our Communications Working Party and has been ably replaced in this role by Cllr Lucie Flint.

Finally in terms on Council news I would like to point out that we still have a vacancy for one additional councillor, and would be very glad to hear from any parishioner who may be interested in becoming involved – please contact the clerk, or indeed any councillor, for further information.

Henlow Camp Footway Enhancements:
As most of you will have noticed, Central Beds Highways Dept. have now finished the enhancements work on the footways around the Henlow Camp retail area. This would seem to be a good time to re-state Henlow Parish Council’s position on this matter:
As the money used to fund these works was raised through the developers of the Bedford Road estate, we are pleased to see it being spent on the local area (as intended) rather than being lost in some general Central Beds highways budget. Also the footways in the area were in desperate need of re-surfacing, and have certainly been improved.

Having said that, the actual finish doesn’t seem to match the descriptions we were given, and we feel an opportunity to really improve the look of the area has been lost. Further, as previously documented, we are very unhappy with the parking provisions in the new scheme, something we took to appeal with Central Beds, but lost. Time will tell what impact the reduced parking has in terms of the businesses and road safety in the area, and we will be keeping an open mind about the possibility of introducing time-limited parking restrictions in some areas. In the meantime, can I remind all parishioners that there is a large area of free parking (kindly donated by the RAF) on the side road almost directly opposite HATS and the Post Office – and I would encourage everyone to use this facility, rather than illegally parking on the yellow lines, either when visiting the Post Office, or the other businesses in the area.

Looking Forward:
As the temperatures begin to drop and the nights start to draw in, we do at least have a few things to look forward to.

FIREWORK DISPLAY – Our annual firework display will this year be held on Sunday 6th November.

REMEMBRANCE SUNDAY – This year’s annual British Legion Remembrance Service and Parade will be held a week later, on Sunday 13th November.

Details of both events can be found in this issue of your Parish Pump.

Finally, looking even further ahead, I would like to point out that next year the country will be celebrating our Queen’s Diamond Jubilee (as well as our hosting of the Olympic Games!). The Henlow Diamond Jubilee committee is well on its way to organizing some summer social events to mark the occasion, but Henlow Parish Council would be pleased to hear from anyone who has any other ideas as to how we might mark these historic events – perhaps with a more permanent memento of some sort?

Tim Wiles
Chairman, Henlow Parish Council

DATES OF HENLOW PARISH COUNCIL MEETINGS

FULL COUNCIL MEETINGS 7.30pm, Committee Room, Parish Hall
10 Oct / 14 Nov / 12 Dec

COMMITTEE MEETINGS 7.30pm, Committee Room, Parish Hall
24 Oct / 28 Nov

Planning matters will be discussed at the Full Council meetings at 7.30pm and by the Planning Committee on the fourth Monday of each month.

FINANCE & GENERAL PURPOSES COMMITTEE MEETING
See notice boards

Deadline for Parish Pump Articles: 10th December 2011
Buildings and Highways Report

Over the summer the Committee has continued with ongoing maintenance of the Parish Properties.

Parish Hall

Bookings have remained at a similar level to this time last year. We hope that the new radiators and improvements made to the heating system earlier this year will ensure this continues into the winter.

Unfortunately some lead was stolen from the roof but has been replaced with a non-lead substitute. Minor maintenance of the Hall has continued.

Pavilion

The roof has had some minor repairs. Posts have been positioned between the car park and the road to stop vehicles entering or exiting across the grass. It is hoped this will make the area safer for pedestrians.

War Memorial

Following completion of the renovation last year, brackets to hold the wreaths have been ordered and will be available after Remembrance Day to ensure the wreaths can be kept tidy and retained longer.

Bus Shelters

We have replaced further panels due to vandalism and I would urge anyone who sees any vandalism taking place to report it to the Clerk or the Police. The repairs are paid for from our budget, your Council Tax.

Village Sign

The sign near the pump has been repaired and repainted as it was showing signs of age.

Planning for the Future

We continue to investigate future uses of the Parish Hall to take to consultation with the village. We have asked an acoustic engineer to look at the plans and report on noise levels achievable to establish if planning permission can be obtained for residential use. We also await the full report from the Parish Plan consultation on this issue.

Highways

Over the past few months we have seen a considerable amount of work finally completed by Central Beds using Section 106 monies from builders. This includes the enhancement work at Henlow camp, the improved footways/cycleway between Henlow and Clifton, the 2 new roundabouts and Zebra Crossing near the allotments.

We would welcome any comments you have on these schemes, good or bad, especially the effect of the roundabouts. We will continue to look at speeding and parking issues in the High Street and decide whether Parish funds should be used to carry out further works.

The contra-flow cycle lane in Park Lane is experimental and Central Beds Council are consulting and reviewing the effects before deciding on whether to make it permanent.

David Shelvey
Chairman, Buildings & Highways Committee.

Open Spaces & Countryside Committee Report

Pyghtles, Pit and Railway Playgrounds:

- The worn timber poles on the assault course on the Pyghtles have been replaced.
- A bench has been donated and erected at The Pyghtles in memory of Brian Benton.
- New signs are to be erected confirming ‘No Dogs Allowed’ on the recreation grounds - 3 at The Pit and 5 at The Pyghtles.
- Quotations are being obtained for the metal fencing to be overhauled and extended along Coach Road and Park Lane

Millennium Meadow:

- A bench has been donated in memory of David Grimshaw.
- The members have agreed that fishing should be encouraged provided certain conditions are adhered to. Suitable signs are to be displayed on the two BRCC notice boards on site.

Bridleway 5:

HPC have re-submitted comments requesting provision of a footpath for walkers as close as possible to the original path. Discussions with CBC and the Angling Association are continuing, along with support from the P3 Group, to have the outstanding problems resolved.
Planting in the Parish:
- The planters on The Crown Roundabout have been planted by the Methodist Church as part of their centenary celebrations.
- HPC wish to thank Mrs Francis and Mrs Carter for volunteering to tend the planters at the War memorial and at the Village Pump.
- The Parish Council is discussing further planting and provision of bulbs to public areas.

Meadow Walk Open Space:
HPC have confirmed that it will take over maintenance of the coppice area. This will take place once:
- Ownership has been transferred
- The funding has been received by HPC from CBC
- The area is handed over in a cultivated condition, with previously specified landscaping having been completed

The developer will remain responsible for the maintenance until such time as these tasks have been completed.

Notice Boards:
The existing notice boards by the Parish Hall and in Flight Path have been varnished, and an order has been placed for two replacements to be erected at Hitchin Road, Henlow Camp, and Church Road, Henlow.

MUGA II:
As future S106 funding for outside play areas becomes available, the Clerk will ‘reserve’ any sums to cover costs of possible floodlighting.

Vandalism:
Following the increase in vandalism HPC ask again that every single incident be reported to the police, or if preferred to the Clerk. The Clerk will ensure the police are fully aware and that a crime number is issued. HPC has requested a greater Police presence and this is more likely to be agreed if all incidents are reported.

Allotments:
A number of plots have been relinquished, but all have now been re-let, seven of these as half plots. This ensures they are cultivated more quickly, and has greatly reduced the waiting list.

Steve Buckley
Chairman, Open Spaces & Countryside Committee.

Diamond Jubilee Celebrations, 2nd & 3rd June 2012

The demand for tickets to the Marquee Dance – Saturday 2nd June 2012 has been exceptional - further details will be published in due course. The marquee, caterers and entertainment have all been booked.

Some of the proposed entertainments have also been booked for the Family Fun Day to be held on Sunday 3rd June, with more activities still being planned – more details in due course.

The ‘Right Royal Carry On’ disco was held on 23rd September in the Parish Hall.

The next fund raising event will be a curry night on Thursday 1st December, Engineers Arms, £10 per head. Tickets are available from Peter & Dee Brigham 815589 or Engineers Arms.

This will be followed by a ‘Dave Rance’ - Jazz Evening in the Parish Hall on Saturday 11th February 2012. Details and ticket purchase information to follow.

Another ‘Right Royal Supper’ is being planned for a Sunday evening in 2012, at The Five Bells PH – date to be decided. The one held on 1st May was thoroughly enjoyed by everyone who attended.

Bert Schrier, Clerk to Henlow Parish Council

*** APPEAL FOR PHOTOGRAPHS! ***

Do you have any old photographs of celebrations in Henlow during the Queen’s Coronation in 1953, The Silver Jubilee in 1977, or the Golden Jubilee in 2002? As part of the Diamond Jubilee celebrations we will be producing a Souvenir Guide of events in Henlow and it would be lovely to include some images of previous celebrations whether they are street parties, individuals, school groups, or simply pictures of Henlow during the time these events took place.

I will need your original photographs temporarily, so that I can scan them and return them to you. Please either pop them through my letterbox (38 Meadow Walk) or leave them with Bert at the Clerk’s office (there is a letterbox if you are delivering out of hours). Originals will be returned by hand. Don’t forget to enclose your name and address, and any details you can (date, place, names). If you are unable to deliver, I can arrange collection. Scanned photos can be emailed to me at lucie@medivents.co.uk. Very many thanks for your help.

Lucie Flint
Diamond Jubilee Committee & Henlow Parish Council
News from South Henlow

By the time this edition of the Parish Pump comes out the Henlow Camp enhancement work hopefully will be completed and any teething problems resolved. If you have any feedback regarding the enhancements you can contact the Parish Council whom in turn will forward any comments to Central Bedfordshire Council (“CBC”). Alternatively you can contact CBC directly.

Groups and Clubs in South Henlow

As the children happily skip off to school in September, we have the return of the Derwent Lower Football Club (“DLFC”). DLFC is open to all children from reception to year 4 and you don’t need to attend the school to be in it. It is held on the playing field at Derwent Lower School, Hitchin Road, every Saturday 9-10am, you can just go along or alternatively there are contact details on their website www.derwentlowerfc.co.uk.

For adults, the knitting circle on the first Wednesday of every month 6pm-9pm at Moonstone Yarns, Hitchin Road, goes from strength to strength. If you are interested in going along, please contact Cathy or Pat on 01462 851921, and I’m sure you will get a warm welcome.

If you have a group or club that you have set up in South Henlow and would like me to mention it, please let me know. Alternatively, you may want to write your own article, in which case you can contact parish councillor Lucie Flint at lucie@medivents.co.uk.

Issues arising from disposal of waste on the Connolly Homes estate on the Bedford Road

Unfortunately there have been concerns of inappropriate waste disposal on the estate. Firstly, Connolly Homes who are maintaining the sewage pumping station, until the estate is officially adopted, had to unblock the pumping station as a large amount of cooking fat had accumulated in the pipes. They have asked if we could remind residents not to put cooking fat or oil down the sink or drains and to dispose of it responsibly in a suitable container in the household waste bin.

Secondly, it has been noticed that there has been fly-tipping and litter left on the Railway Park and playing field, on the old railway bank and in the stream. Unfortunately, beer cans have been left, garden waste and food packaging has also been dumped there. This will encourage vermin and can cause injuries to children who use the playground and playing field regularly. This recreation area is for everyone’s enjoyment. It would be a shame if no one uses it due to the amount of rubbish that is being left on it.

If you contact CBC on 0300 300 8000 they will also be able to tell you where to go for your nearest household waste recycling centre. Alternatively you could look on the CBC website www.centralbedfordshire.gov.uk/environment-and-planning/recycling/Recycling/a-z-of-recycling.aspx. This gives an A-Z list of household waste and how to recycle, reuse or dispose of it correctly. The website also has the list of household waste recycling centres.

The outside gym and the footpath at The Railway are still on hold due to funding issues.

Peta Steele
Parish Councillor

Remembrance Sunday - 13th November 2011

The Royal British Legion Annual Act of Remembrance and laying of wreaths this year will take place at the Memorial, starting at 10.45am on Remembrance Sunday, November 13th.

Following the short ceremony and silence, the parade will proceed to St. Mary’s Church for a service. This is a very important event in Henlow and everyone is very welcome to attend either or both parts.

Closure of the High Street

The Parish Council arranges for the part of Henlow High Street between Park Lane and Church Road to be closed from 10.30 am on the morning of the ceremony and parade to the Church. It is important for everyone, but particularly residents of the High Street and Park Lane, as well as roads off these, to note the following:

Diversion of traffic

- Traffic travelling North will be diverted along Park Lane (one-way) and Church Road
- Traffic travelling South will be diverted along Newtown and via Clifton to Clifton Road

Parking Restrictions

There can be NO PARKING AT ALL in the High Street in the vicinity of the War Memorial.
Fireworks Display
This year’s Fireworks Display will take place on SUNDAY 6th NOVEMBER at the Millennium Field with the fire being lit at 6.30pm and the Fireworks commencing at 7.00pm.

As last year, refreshments (including Bar) will be provided by Henlow/Clifton Scout Group.

Vehicular access to Gardeners Lane will be restricted to residents and Blue Badge holders. Parking for Blue Badge holders will be available at the far end of Gardeners Lane next to the Churchyard Gates.

We hope to see even more Parishioners attending the event this year, so please come early and have a great time.

INFORMATION UPDATE FROM CENTRAL BEDFORDSHIRE COUNCIL

CENTRAL BEDFORDSHIRE COUNCIL BUDGET 2012 – Making your money count:

HAVE YOUR SAY: Central Bedfordshire Council is preparing a financial strategy for the next four years and want your views and opinions to be at the heart of their plans. Your views will help councillors to develop options for saving money and to set the council tax for 2012/2013. They will consult on these options in December and January.

To have your say on the council’s budget priorities, please complete a short survey by Friday 14th October 2011.

You can fill in the survey, either online at www.centralbedfordshire.gov.uk/consultations or collect a paper copy from Chicksands.

Please return these to: FREEPOST RSJS GBB2 SRZT, Budget Consultation, Central Bedfordshire Council, Priory House, Monks Walk, Chicksands, Shefford SG17 5TQ (you do not need a stamp). Whatever your views CBC want to hear from you, so please take this opportunity to shape

St Mary’s Church, Henlow: An Invitation

Annual Gift Day
Saturday 19th Nov 2011, 10am – 3pm

THANK YOU to everyone who has supported our annual gift days in previous years: without your support St Mary’s would, quite literally, have fallen apart!

As with any ancient building, of course, we need to continue with the maintenance, and this year we plan to use your gifts towards repairs on the west face of the tower.

Please do come along to the church on Saturday 19th Nov and we’ll be delighted to show you around, explain why we’re here and what we hope to do with your gifts to ensure that St Mary’s can continue to serve future generations in Henlow.

TEA AND COFFEE will be served and there will be a display of church vestments, registers and other exhibits along with a sale of home produce, cakes and books.

IF YOU’RE UNABLE to join us on the day, donations will be gratefully received at: 1 Jordan Close, Henlow (opposite the church).

www.henlowchurch.org.uk/henlow (giftday2011.htm • Your Church in Your Community •

Did you know.........?

The Wanderbus operates a range of services from both Henlow village and Henlow Camp, including a route to Shefford Heath Centre on Tuesdays.

Surgery Shuttle Timetable Tuesday Afternoons - two routes:
W15 SHC – Clifton – Henlow – Clifton – Shefford – SHC
W16 SHC – Meppershall – Campton – Shefford – SHC

The routes run alternately on a loop/circle basis each with:-
• A first pick-up run to SHC
• A second run leaving SHC and returning some passengers and also picking up more passengers and taking them to SHC
• A third (and final) run leaving SHC and returning remaining passengers.

To find out more phone 01767 318444.
INFORMATION UPDATE BY BEDFORDSHIRE POLICE AUTHORITY

More officers to tackle Crime in Our Communities

Bedfordshire Police have drawn up ambitious plans to improve the service provided by the Force while also saving taxpayers’ money.

From October 2011, the Force and the Police Authority will deliver a more streamlined process to improve both operational capacity and capability. This means that more officers will be available to deal with incidents reported to us by the public.

The Force carried out a detailed review of the way it organised key departments to identify areas where costs could be cut and performance improved. During the process, residents confirmed they were happy for structural matters to be dealt with by the Force so long as they received an appropriate police response when needed and crime continued to fall.

The new changes will see the number of police officers dedicated to local policing double from 92 to 185. This means a larger number of officers will be available to tackle local crime, anti-social behaviour and other community concerns while PCSOs will carry out more patrols.

There will no longer be any geographic boundaries or divisions separating communities. Instead, a Chief Superintendent will oversee Local Policing while another will be responsible for Tackling Crime.

Through reorganisation, the Force and the Police Authority will speed up response times. A new centralised team will respond to incidents county-wide. Officers will get to where they are needed more quickly as well as save money.

Meanwhile, a greater number of incidents will be resolved over the telephone to reduce demand on frontline staff thanks to a new appointment system for non-emergency issues. A recent survey found that people accepted this as a good way of dealing with non-urgent matters. A new three digit non-emergency number will be introduced in the autumn, after which time all you will need to dial is 101 for non-emergency situations.

Peter Conniff, Chair of Bedfordshire Police Authority, said: “We’ve listened to our residents throughout the review process and their comments have very much informed our strategic decisions. The changes have been made to promote greater access to police services and deliver a more effective response that meets the expectations of our communities.”
Do you get the ‘usual’ back pain?
Have you tried everything?

McTimoney Chiropractic is a gentle, effective, whole-body treatment which treats the underlying cause and not just the symptoms.

- Sports Injuries
- Joint Pain & Stiffness
- Low Back Pain
